INFORMATIONAL BULLETIN FY82-21

TO: Illinois Tax Practitioners

SUBJECT: Distribution of 1981 Tax Booklets Beginning November 30, 1981

We previously advised you in a Special Notice, dated October 1981, that distribution of IL-1040 booklets would be delayed due to the expected pending action of the Illinois General Assembly in its fall session. However, through the cooperative efforts of our vendors the distribution of the IL-1040 booklets will be made as per our original schedule of the week of November 30 - December 4, 1981.

NOTE: The Department requests your cooperation in utilizing the pre-printed mailing labels that are provided on each tax booklet mailed to your client(s). It is equally important that the label be used, whether you are preparing the IL-1040, IL-1120, or the IL-1363.
